

## Mountain Goat Specific Information

### Licenses and General Information

- An applicant who receives a mountain goat license is not eligible to apply for or receive another license for mountain goat for the next succeeding 7 years. For example, if you received a mountain goat license in 2000, you may not receive or apply for another until 2008.
- License holders may legally take one mountain goat subject to all specifications on the license issued.

### SuperTag Lottery for Mountain Goat

- Resident and nonresident hunters can buy an unlimited number of \$5 chances to win a Montana hunting license for mountain goat, as well as a moose, bighorn sheep, deer and elk. An individual may be successful in winning one or a combination of these SuperTags per year. Each SuperTag license allows one to hunt in any Montana hunting district valid for that species. Chances are sold electronically at all FWP License Providers or via the Internet. Proceeds from the sale of SuperTag chances will enhance public hunting access and boost FWP enforcement efforts. For more information visit FWP's website at fwp.mt.gov.

### Mountain Goat License Auction

- Legislation authorizes the Fish, Wildlife & Parks Commission to provide for the auction of a mountain goat license each year. This license authorizes the hunter to take an either-sex mountain goat in any district of his/her choice. This license is not a part of the seasons proposed and if this license holder is successful, the mountain goat will not be counted against the district quota. This license holder may hunt only in areas open to mountain goat hunting.
- The auction is held annually during the winter by a conservation organization that is preselected by the FWP Commission.
- Hunting is authorized for the next hunting season, not the current years' hunting season.
- Money raised through the license auction is used for management of mountain goat.

### Mountain Goat Mandatory Reporting Requirements

- A hunter harvesting a mountain goat must present the complete head with horns attached or the top portion of the skull with horns attached to a department official within 10 days of the date of kill. See back cover for FWP office phone numbers.
